[illegible]

Sketch your route and/or make rare-bird sighting notes above. Describe what you saw: plumage, shape, size, vocalization, habitat, behavior, how you eliminated other similar species, etc. Make a sketch! Note if photographed, videotaped or recorded and prepare to submit those along with details. This form is based on eBird, CBC and many other survey protocols. The form is © 2024 Durrell D. Kapan, dkapan@icloud.org please ask permission to duplicate and share, thanks!
